Utilize insights to develop products and integrated marketing programs that build brand equity, meet consumer needs, and grow the category for our partners.

### FY 2020 Accomplishments

- Grew pound and dollar share in Grocery on every JBSS brand driven by strong performance in *Fisher Recipe* and our *Southern Style Nuts* brand
- While *Fisher Recipe* saw challenges driven by private label performance at a key customer, E-commerce growth was a bright spot, especially in Q4 (March-June)
- Continued to grow our equity on key brands including Orchard Valley Harvest and Fisher through strong, digital campaigns

Be the trusted partner by offering supply chain and category expertise, quality, food safety, flexibility, innovation and customer support.

### FY 2020 Accomplishments

- Expanded core nut and trail mix assortments with our largest, strategic customers & gained new business with top retail customers
- Flawlessly managed a significant private brand transition with a major retailer
- Great progress penetrating the Non-Commercial sector as we initiated supply agreements with two key players
- Expanded our market share position at two of our largest Food Service broadline partners

Win new customers by entering new channels, launching differentiated products and investing in new businesses.

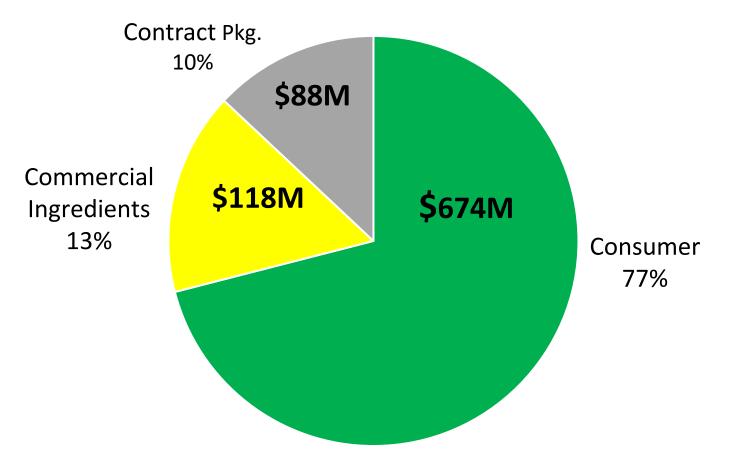

### FY 2020 Accomplishments

- Significantly accelerated E-commerce growth, outpacing the grocery average
- Gained entry into new channels through expanded price pack architecture and met consumers' needs with more value-added packs
- Increased brand penetration through innovative new product offerings centered on health & wellness

### **EBITDA**

EBITDA consists of earnings before interest, taxes, depreciation, amortization and noncontrolling interest. EBITDA is not a measurement of financial performance under accounting principles generally accepted in the United States of America ("GAAP"), and does not represent cash flow from operations. EBITDA is presented solely as a supplemental disclosure because management believes that it is important in evaluating JBSS's financial performance and market valuation. In conformity with Regulation G, a reconciliation of EBITDA to the most directly comparable financial measures calculated and presented in accordance with GAAP is presented in the following slide.
