### **John B. Sanfilippo & Son, Inc. Voluntarily Recalls Snack Mix Products Due to Possible Health Risk**

**Contact for investors and media:** Frank Pellegrino, CFO (847) 214-4138

**FOR IMMEDIATE RELEASE** – ELGIN, IL - May 5, 2026 – As a follow up to the voluntary recall of dry milk powder by California Dairies, Inc. due to the potential presence of *Salmonella*, John B. Sanfilippo & Son, Inc. (Nasdaq: JBSS) (the “Company”) announced today that it is voluntarily recalling certain snack mix items listed below that were flavored with a seasoning manufactured by a third-party supplier that contained the recalled dry milk powder. The affected seasoning tested negative for *Salmonella* prior to use; however, the Company is taking this action as a precautionary measure. To date, the Company has not received any reports of illnesses in connection with the recalled items.

No items manufactured by the Company other than the items listed below are affected by this recall.

Consumers who have purchased the affected items should not consume these products and should return them to the store of purchase for a full refund or replacement.

*Salmonella* can cause serious and sometimes fatal infections in young children, frail or elderly people and others with weakened immune systems. Healthy persons infected with *Salmonella* often experience fever, diarrhea (which may be bloody), nausea, vomiting and abdominal pain. In rare circumstances, infection with *Salmonella* can result in the organism getting into the bloodstream and producing more severe illnesses such as arterial infections (i.e., infected aneurysms), endocarditis and arthritis.
